

WOLF

HEADSET PRO

Sahaga - The Company

Established in 2013

Initially started as DAB-radio company when Norway announced they would shut off FM frequency in 2017

Created the world's first hearing protection headsets with DAB+, FM and Bluetooth

First headset delivered in 2016, since then ~100,000 headsets sold in Northern Europe

New ownership in 2021 → renewed focus on PPE-certified hearing protection
