

# Friends of Hue Smart Switch

Friends of Hue Smart Switch er en smart lysbryter som gir deg og din familie enkel og praktisk kontroll over Philips Hue-kompatible enheter. Takket være kinetisk energi trenger du aldri å lade denne trådløse bryteren.

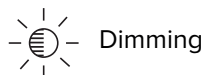

## Enkel kontroll

Aktiver Philips Hue-belysningen din med et enkelt klikk:

På / av

Dimming

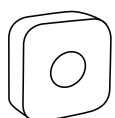

Aktiver scener

Kontroller flere grupper

## Lettvint oppsett

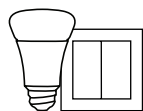

### 1. Tilkobling

Koble Friends of Hue Smart Switch direkte til Philips Hue Bridge V2 ved hjelp av Philips Hue-appen.

### 2. Tilpass

Angi preferanser for hvilke grupper du vil kontrollere og hvilke funksjoner som skal utløses med hver knapp.

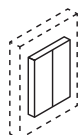

### 3. Nyt

Legg bort smarttelefonen din og opplev sømløs kontroll i hele hjemmet.
