

Veria Snowmat 300

Technical specifications:

Output:	300 W/m ²
Voltage:	230 V~
Mat thickness:	7 mm
Cable layout width:	45 cm
Heated area width:	50 cm
Cable C-C distance:	10 cm
Cable construction:	Twin conductor
Screen:	100% aluminium screen
Conductor insulation:	FEP
Outer sheath:	PVC, black
Connection cable:	5 m
Pulling strength:	300 N
Deformation strength:	1500 N
Min. bending diameter:	42 mm
Max. temperature unpowered:	90 °C
IP Class:	IPX7
Warranty:	12 years

VDXG102

Product range:

Veria Snowmat 300					
Item no.	Mat dimensions, W x L	Heated area	Output @ 230V~	Resistance	Connection cable
189B0500	0,5 x 3,4 m	1,7 m ²	500 W	105,5 Ω	2x1,5 mm ²
189B0501	0,5 x 9,2 m	4,6 m ²	1365 W	38,7 Ω	2x1,5 mm ²
189B0502	0,5 x 12,6 m	6,3 m ²	1920 W	27,9 Ω	2x1,5 mm ²
189B0503	0,5 x 18,2 m	9,1 m ²	2755 W	19,2 Ω	2x1,5 mm ²
189B0504	0,5 x 23 m	11,5 m ²	3460 W	15,3 Ω	2x2,5 mm ²

Veria is a leading Danish manufacturer of electrical floor and outdoor heating systems. It is our aim to enhance the quality of life by ensuring comfortably warm floors and outdoor areas, thus improving the environment of family life.
