

Ø60 mm

A technical line drawing of a standard incandescent light bulb. The bulb has a rounded, pear-shaped glass envelope and a threaded screw base. A horizontal line divides the bulb into two parts: the upper rounded portion and the lower tapered portion. Above the bulb, a dimension line with vertical end caps indicates a diameter of 60 mm. To the right of the bulb, a vertical dimension line with horizontal end caps indicates a total height of 110 mm.

110 mm
