

Temperature sensor

Part no. CSEZ-01/01
Article no. 265643

Delivery programme

Product Type			Sensor
Sensor Type			Temperature

Technical data ETIM 6.0

Residential heating (EG000043) / Temperature sensor (EC000407)			
Electric engineering, automation, process control engineering / Measurement technology, process measurement technology / Measuring instrument, temperature / Measuring instrument, temperature (unspecified) (ecl@ss8.1-27-20-02-90 [AAB993011])			
Model			Temperature sensor
With power cord			Yes
Length of power cord		m	1
